YOUR INVESTMENT

We do not accept everyone who applies. For those we accept, the investment is \$70 per pound (\$154 per kg) of body weight that needs to be lost. The investment is made in installments. The Club Director of your Wellness Club will give you a convenient and personalized investment schedule.

LOSE WEIGHT. NEVER REGAIN IT. GUARANTEED. Or Your Money Back.

Yes, you can now lose *all* the weight you need (or want) to lose while eating your *regular* foods. And for the rest of your life, you *won't* regain that weight. We guarantee it. Or 100% of your money back!

“That”, you say “is a dieter’s dream”. “That”, we say, “is the spectacular **Health-n-Looks Weight Control Program^{IP}**”.

The Work of Years

I first developed and tested the elements of the Health-n-Looks Weight Control Program between 1991 and 1993 (4-09 MSD and 4-07 MSD). Over the years since then, I made critical adjustments and conducted further tests. Finally, I became *completely* satisfied that the Program is as near to *perfection* as you can get.

The question is: If I developed the Health-n-Looks Weight Control Program that *many* years ago, how is it you never heard of it? Well, according to a Great Natural Law, the Law of Time, *nothing happens before its time*. And, of course, when its time comes, nothing can stop it. *Your time has just come*.

We are always happy to say you can succeed on the Health-n-Looks Program while eating your own regular foods, *including high-calorie junk foods*. Of course, we don't encourage anyone to eat junk foods, but we *are* realistic. Note, however, that *this* flexibility is one more sign of how *strong* Health-n-Looks^{IP} really is.

As you already know, the usual weight-loss program soon becomes a food company, selling pre-packaged foods, with the number of calories displayed. The reason those programs *usually* fail is that their basic, underlying science is totally wrong. People who are slim, eat their *own* foods, and they *don't* count calories. If you want to be slim, beautiful, and healthy, you *must* do what slim, beautiful, and healthy people always do. And what they do is *exactly* what I have distilled into Health-n-Looks.

What Specifically Is The Health-n-Looks^{IP} Weight Control Program^{IP}?

The HealthiLifer^{IP} Health-n-Looks Weight Control Program^{IP} is a *special* enhancement of the HealthiLifer Wellness Club Program^{IP}. It consists of *my* proprietary method of helping the person with a weight problem to do what *naturally slim* people do. We personalize the Pro-

gram to the unique needs of the *individual* Member, enabling that Member to achieve his or her *true* healthy weight. We deliver permanent success, or we *refund* 100% of the fee.

The HealthiLifer Health-n-Looks Weight Control Program^{IP} incorporates the results of my extensive, in-depth medical research into do-it-yourself health improvement and disease prevention.

Each Member's Program is supervised by Health professionals to whom *I* have given *additional* training, specially for the Program. We provide the supervision over the telephone. What we do, and how we do it, are proprietary information. The HealthiLifer Supervision Protocol^{IP} remains a business secret, which every Program Member must agree to respect.

We supervise every individual Program through **Supervisorium Chenax^{IP}**, also known as **SuperChenax^{IP}**. SuperChenax is a Department of Chenax Majesty IP, Inc.; it is always headed by a specially-trained health professional. As a result of the unique Supervision Protocol^{IP}, which I developed and tested over the years, there is never any need for Program Members to visit us in New York City.
